✓ . Student feedback on institution governance/faculty performance.

Online student feedback system is the web based feedback collecting system from the students and provides the automatic generation of a feedback which is given by student. We have developed student feedback system to provide feedback in a quick and easy manner to the particular department, so we called it a student's feedback system which delivers vai the student staff interface as online system which acting as a service provider.by using this technology we can give feedback in online system as fast as compare to the existing paper work manner.

Visit website for feedback system. www.abitsatara.com

✓ Grievance Redressal Committees have been constituted desperately in respect of staff and students with senior faculty as chairman and staff as members of respective committee as given below.

Grievance redressal system is mechanism to receive and act on complaint and grievances reported by students, faculties etc Grievance redressal may be handled directly by organizations through their own website or through online portal…
